

# Books on Linear Algebra and Related Topics Published Since 2002

May 9, 2016

The list below is a continuation of the list of “New & Forthcoming Publications in Linear Algebra” initiated in issue 14 of *IMAGE*. The list includes reviews published in *ILAS IMAGE* and in the *AMS Mathematical Reviews*. Please send corrections and additions to Douglas Farenick at [douglas.farenick@uregina.ca](mailto:douglas.farenick@uregina.ca).
